Dear Parents and Carers,

### Phased Opening of School from 1 June 2020

We have sent out a survey by email to the parents and carers of Nursery, Reception and Year 1 children regarding the phased opening of school from 1 June 2020.

The Government has specified that Infant Schools should prioritise the return of Nursery and Year R aged children and then Year 1 children.

We are therefore asking the parents and carers of Nursery and Year R children if they would like their child to return to school from 1 June. We are also asking the parents and carers of Year 1 children if they would like their child to return from a later date, as yet to be confirmed.

If you do not receive this email from us by the end of Wednesday 13 May please call the school to ensure we have your correct email address or email us at [info@fairisle-inf.co.uk](mailto:info@fairisle-inf.co.uk) with details of your child's full name and class and the email address you would like us to use for this and all future email communications.

Thank you for your cooperation.

Yours sincerely

Susanne Ottens
