Dear Parents and Carers

Further to my letter yesterday I write to let you know that the government has now released further information to schools on the preparation for a phased opening of schools from 1 June at the earliest. The government has prioritised Early Years (Nursery and Reception) to be the first year groups to return to Infant Schools followed by Year One. Children of parents who are keyworkers can still attend as usual from any year group.

We are now making plans to ensure the safety of all members of the school community following the guidelines that have been issued. Our main priority will always be the safety and well-being of everyone in school.

We need to know how many children are likely to attend school in order to organise the school day. We understand that some parents may have concerns about sending their children to school in June. Parents will not be fined for not sending their child to school.

Please could you let us know either by phone or email if you will be sending your child/ren to school in order to help us with our planning. Thank you.

Yours sincerely

Susanne Ottens

Headteacher
