3 September 2020

Dear Parents and Carers

Welcome Back!

I hope that you and your families have had a safe summer and that you are keeping well. We look forward to welcoming all children back on Monday 7<sup>th</sup> September. Our overall priority is to ensure the safety and wellbeing of all members of the school community. We are following the government guidance in opening the school to all children and the organisation of the school day will be different. The letter dated 10<sup>th</sup> July 2020 outlines all the measures we are taking this term [click here](#). Please read this letter carefully as it also explains the procedures for drop-off and collection times.

Please do not enter the school without a prior appointment. If you need to speak to a member of staff, please telephone the school in the first instance.

Please visit [gov.uk/backtoschool](http://gov.uk/backtoschool) for further information and practical guidance to help you plan for your children's return to school. Further information for parents is also available here:

It is important that if your child (or anyone in your household) has any coronavirus symptoms, they do not attend school and stay at home. You should arrange for them to get a test and let us know the test results.

We will keep parents updated via email and our website. Please ensure to read all updates. Thank you for your co-operation and support.

Yours sincerely

Susanne Ottens

Headteacher
