Dear Parents and Carers

I hope that you and your families are safe and well. I'm writing to all parents in response to the Prime Minister's announcement last night. Please be advised that as schools, we receive the same information as the general public. I understand that parents may have questions in relation to the announcement, but at this stage we are not in a position to answer questions yet. We are waiting to receive further information from the government about what this means for schools.

In the short-term, nothing has changed. We will, of course, contact you as soon as we have received more information and clearer guidance with regard to the partial opening of schools for some year groups.

In the meantime, stay safe and thank you for your ongoing support.

Yours sincerely

Susanne Ottens
