

21 April 2020

Dear Parents and Carers

Welcome to our first ever remote summer term! We hope that you and your family are keeping safe and well.

We are all adapting to new ways of working and we miss the children very much. However, we must follow the government's guidance to keep everyone in our community safe.

The government has now launched its online classroom and resource hub for parents to access. The Oak National Academy offers video lessons every week from Reception to Year 10 and are free to use. The Oak National Academy can be accessed here:

<https://www.thenational.academy/>

The BBC has also launched an education package across TV and online, featuring celebrities and teachers, helping to keep children learning at home and supporting parents. The BBC Bitesize can be accessed here:

<https://www.bbc.co.uk/bitesize>

Furthermore, we are regularly updating our website with new educational links for you to access at home. We hope that you and your child find these useful.

We can't say when we'll be able to open the school fully, but please let us know if you would like further support in how to support your child's learning at home.

Best regards

Susanne Ottens
Executive Headteacher
