Year 1 - Most children have met end of year expectation.

Cogs	Personal	Social	Cognitive	Creative	Physical	Health and Fitness
Baseline	70%	73%	79%	75%	82%	76%
End of the Year	91%	78%	92%	84%	90%	89%

Year 2 - Most children have met end of year expectation.

Cogs	Personal	Social	Cognitive	Creative	Physical	Health and Fitness
Baseline	37%	48%	46%	45%	54%	46%
End of the Year	84%	87%	87%	88%	83%	77%

## Fundamental Skills

Year R - Most children have met end of year expectation.

Fundamental Skills	Reaction & Response	Jumping & Landing	Floorwork	One Leg	Footwork	Sending & Receiving
Baseline	70%	80%	84%	72%	82%	72%
End of the Year	89%	95%	89%	88%	90%	85%

Year 1 - Most children have met end of year expectation.

Fundamental Skills	Reaction & Response	Jumping & Landing	Floorwork	One Leg	Footwork	Sending & Receiving
Baseline	72%	72%	76%	72%	87%	72%
End of the Year	85%	91%	89%	83%	94%	79%

Year 2 - Most children have met end of year expectation.

Fundamental Skills	Reaction & Response	Jumping & Landing	Floorwork	One Leg	Footwork	Sending & Receiving
Baseline	73%	76%	64%	62%	66%	65%
End of the Year	81%	89%	78%	70%	78%	84%

### Expenditure 2024-2025

Sports Premium used for	Amount allocated to the Intervention / action	New or continued activity	Year group and pupils involved	Intended outcomes	Monitored by who and when	Results and impact	How will this be made sustainable?
Real Legacy	£695 – renew online licence	Continue	Whole school	<p>The profile of PE and sport is raised across the school as a tool for whole-school improvement.</p> <p>Staff will increase in confidence, knowledge and skills in teaching PE (through professional development, mentoring, training and resources).</p>	<p>Subject leader – though staff feedback, lesson observations, etc</p> <p>Termly</p>	<p>Subject leader introduced staff to a new document that outlines effective teaching points for high quality lessons and how to differentiate accordingly.</p> <p>Through staff feedback it is evident that staff find the structured approach to PE beneficial. It is clear however that lessons are adapted to suit the needs of the learners.</p>	Professional development of staff will benefit current pupils and pupils joining the school in future years.
Real Legacy –Matt Alford	£900 – staff training	Continue	Key Stage 1 and AR	Staff will continue to increase in confidence when delivering PE lessons, specifically gym using the programme Real Legacy.	<p>Subject leader – though staff feedback, lesson observations, etc</p> <p>Termly</p>	Matt supported staff by showcasing gym lessons in KS1. This was to support new members of staff with safe use of equipment and subject knowledge.	Professional development of staff will benefit current pupils and pupils joining the school in future years.

						New members of staff also benefitted from this training sessions.	
Afterschool Clubs	£6640	Continued- but new clubs have been offered according to cultural capital and pupil questionnaires.	KS1	The introduction of new sports i.e tag rugby, basketball will encourage pupils to take up sport and physical activities.	Subject Leader – through pupil questionnaires  Termly	Clubs offered – girls and boys football, gymnastics, multi-skills, invasion games, basketball, tag rugby, dance	This will contribute to ensure all children have a broader experience of a range of sports and activities offered to all pupils in KS1. It will support an increased participation in competitive sport.
Main Playground – creating a designated area of the playground for sporting activities	£3252	New	Whole school	Physical activity will be embedded into the school day through active playgrounds. This ensures that children have a designated area to develop their PE skills considering the safety of others.	Subject leader- observations and pupil feedback  Termly	The playground has been redesigned with designated areas for pupils to actively use to develop skills and collaborate together. The careful design has ensured that all children's safety is paramount.	New equipment and embedded physical activity will benefit current pupils and pupils joining the school in future years
Improvements to play equipment	£946	Continued/new	Whole school	Pupils will continue to develop core PE skills in a range of ways. Having whole school structures will encourage pupils to work together.	Subject leader- pupil and staff feedback	Improvements have been made to the pirate ship and climbing wall. This supports children to develop a range of gross motor skills at varying levels	Improvements to these areas will support current and future pupils of the school.
Extra- curricular sporting opportunities within the trust (including inter-school sports competition)	£723	New	Targeted groups	Targeted pupils will be chosen to participate in different sporting sessions. This will aim to	Subject leader and class teachers	The careful selection has ensured that children who are less likely to participate in extra physical activity	Extra sporting opportunities will benefit targeted groups of children across the school.

				increase pupil's physical activity.		have the opportunity to do so. Factors that contribute to this is locality and financial constraints.	
Equipment (including for internal sports competitions)	£4582	New	Whole school	<p>Play leaders will have some ownership over new equipment. They will take on leadership roles that support sport and physical activity within the school.</p> <p>Physical activity will be embedded into the school day through active playgrounds.</p> <p>Equipment will be used to deliver high quality and well resources lessons.</p>	<p>Subject leader – through school council</p> <p>Termly</p>	The equipment was purchased to ensure lessons were high quality and intended outcomes were being met due to having sufficient equipment.	New equipment and embedded physical activity will benefit current pupils and pupils joining the school in future years.

Financial Year	Amount of SP funding
2019-2020	£18,010
2020-2021	£18,019
2021-2022	£17,829

<b>2022-2023</b>	<b>£18,360</b>
<b>2023-2024</b>	<b>£18,006</b>
