Expenditure 2025-2026

Sports Premium used for	Amount allocated to the Intervention / action	New or continued activity	Year group and pupils involved	Intended outcomes	Monitored by who and when	Results and impact	How will this be made sustainable?
Real Legacy	£695 – renew online licence	Continued	Whole school	The profile of PE and sport is raised across the school as a tool for whole-school improvement. Staff will increase in confidence, knowledge and skills in teaching PE (through professional development, mentoring, training and resources).	Subject leader – though staff feedback, lesson observations, etc Termly	Using Real PE has improved the quality and consistency of PE teaching across the school. Pupils have developed their physical literacy, confidence and fundamental movement skills, while teachers have increased their confidence in delivering engaging and inclusive PE lessons.	Staff have a progressive set of lessons in which they can enhance to deliver high quality lessons
Real Legacy –Matt Alford CPD	£300 – staff training £450- PE Surge (CPD subject leader) CPD cost- £1,480	Continued CPD- SL (new activity)	Key Stage 1 and AR	Staff will continue to increase in confidence when delivering PE lessons, specifically gym using the programme Real Legacy.	Subject leader – though staff feedback, lesson observations, etc Termly	Matt supported staff by showcasing gym lessons in KS1. This was to support new members of staff with safe use of equipment and subject knowledge.	Professional development of staff will benefit current pupils and pupils joining the school in future years.

				Subject leader will be up to date with current practice. PE lead will support staff with assessment and monitoring using the new framework		CPD around current practice has enabled PE lead to monitor subject effectively.	
Extra-curricular opportunities	£8,966	Continued	KS1	Pupils will access a diverse range of sports and physical activities, increasing participation and physical activity levels. Opportunities will be planned to develop cultural capital by broadening pupils' experiences and promoting lifelong engagement in sport.	Subject Leader Termly	Increased participation in physical activity, with more pupils taking part in clubs that introduce them to new and varied sports.	Pupils will have a broader experience of sports and be upskilled to be play leaders. This opportunity will increase participation in inclusive and competitive sports.
Equipment	£5,254	New	Whole school	The playground will have zonal areas in which children can access a range of equipment to make playtime purposeful and active. Equipment has been purchased to ensure all activities are inclusive and every child can access opportunities to	Subject leader-observations and pupil feedback Termly	Zoned activity areas within the playground, alongside the Play Zone, create an engaging environment that encourages active, purposeful play. These spaces enable pupils to develop and consolidate physical skills while promoting teamwork, leadership,	New equipment and embedded physical activity will benefit current pupils and pupils joining the school in future years. Staff will support sports leaders and upskill children year on year.

				develop gross motor skills.		and peer-to-peer learning.	
External festivals and sporting competitions	£634	New	Targeted groups	Pupils will have the opportunities to engage in festivals with other schools and compete in new sport alongside peers	Subject leader	Pupils developed new skills in basketball and multi-skills while broadening their sporting experiences. They also performed at a gymnastics gala for the first time, building confidence, resilience, and pride in their achievements.	Develop strong partnerships with local schools and community organisations to support the planning and delivery of future sporting events and create sustainable opportunities for pupils.

Financial Year	Amount of SP funding
2019-2020	£18,010
2020-2021	£18,019
2021-2022	£17,829
2022-2023	£18,360
2023-2024	£18,006
2024-2025	£17,710
2025-2026	£17,780
