

Fairisle Infant and Nursery Schools children's newsletter

Spring 2 newsletter

Here is our half termly Children's newsletter where we will share an update on what we have been busy doing in school since our last newsletter. We hope you enjoy reading!

MEET MRS. ROCH!

She may be a familiar face to most of you but did you know that not only is Mrs. Roch one of our many super teaching assistants at Fairisle but she also is a football coach. As well as running both girls and boys after school football club here at the school she also used to coach her own team. Following last year's Men's World Cup in Qatar and now this year Women's World Cup in Australia and New Zealand, we thought we would find out a little more about Coach Roch! Who knows Mrs. Roch could be training one of the footballs stars of the future!

How long have you been a football coach for?

I qualified 10 years ago.

Why did you decide to become a coach?

My son was into football and I thought I could bring my experience of working with children in to support the training.

What age children do you teach?

Now only 4-7 year olds but I can coach up to 18 year olds.

Have you ever had your own team?

Yes, I had a team called Pace Cougars for 3 years. I took the team from grassroots level under 10 into the Tyro League under 13s.

Who is your favourite footballer? *It has got to be David Beckham.*

Which team do you support? *I support Saints.*

Which team do you think will win the Women's World Cup?

Well that is an easy one! England of course!!!

Rainbow news

In Rainbow Nursery we have been getting really good at enhancing our gross and fine motor skills. We enjoy our weekly visits to the hall, where we have practiced ball, hoop, balancing, jumping, crawling, throwing and catching skills. All these different skills help us gain better control of our bodies which will help us with skills such as writing and pencil control in the future. Ava said, 'I like going to the hall'.

We have enhanced our fine motor skills by engaging in sensory play, such as gloop, shaving foam, sand, playdough, cooking, threading and using tweezers. Joey said, 'It's a 6 and a 9', as he made marks in the sand.

Sunshine news

In Sunshine we asked our children about what they had been learning and had enjoyed. Here is what some of the children said:

Jasmine - I was Goldilocks and we acted out the Three Little Bears story.

Maria - I can write my name! We use playdough, flour, chalk, crayons and pencils to practise our letters.

Roman - On Internet Safety day we had fun using the remote controlled cars

Year R – Space adventures

In Year R we had a wonderwall day all about SPACE – it was out of this world!!!! Here are some of the things we found out:

Nicholas (Squirrels) – Astronauts go in a rocket to get to space!

Kornelia D (HH) - 'I learnt how many planets are there. There are 8 planets. The Earth is where we live and Pluto is not a planet anymore because he is too small. The space is quiet. Astronauts float because there's no gravity. When you have gravity it pulls you down.'

Peter K (Foxes) - 'There is gravity in space. It pulls things down.'

Year 1 – Superhero day

Year 1 had Superhero Day. First we had to get dressed as Superheroes. I was a Fire Warden. We made masks and shields. Mine was orange. Jan made a beautiful shield. We painted a background for a Superhero. I had Batman flying. Superhero Day was awesome. By James

Superhero Day was super, duper good. I loved it! I dressed up as Batman. I walked in a superhero pose around the hall and Miss Tivey tried to fly. We played a superhero game. I want to do more of it. By Amberley

Year 2 – The Great fire of Fairisle!

Year 2 went outside carrying their realistic, lovely, super houses. We were waiting for them to be lit on fire. Everyone was thrilled and screaming, it was very loud! The houses were burning fiercely, it was crazy! I felt elated, hot and amazed! We had a wonderful experience! By Cora

Goodbye Mrs. James

Today we say goodbye to Mrs. James for a while as she goes off to have her baby. She has been a much loved member of staff from both nursery and the infant school. We will really miss her but we wish her the best of luck as she starts her own family. We cannot wait to meet her new arrival and will keep you posted.
