

Fairisle Infant and Nursery Schools children's newsletter

Autumn 2023 Newsletter 1

A warm welcome back to everyone!

It has been brilliant to see all of you back for the start of this new academic year. I am enjoying listening to what the children have been up to during the summer holidays and the keen positive attitude they all have for the year ahead. We are looking forward to a busy term and all the fantastic learning opportunities it brings.

We would like to thank everyone for adapting so quickly to our new start and end of day times this year (8:45am – 3:15pm), punctuality is vital in the children making a prompt start to their day to reach their potential and be the best that they can

be! You will receive further communication containing all the important dates for the term shortly (email/SchoolApp).

Miss Owens, Headteacher

MEET THE ADMIN TEAM

Following the retirement of two long-standing members of our admin team at the end of the last academic year, we would very much like to introduce our new team from September 2023.

This wonderful team are invaluable to us and they work incredibly hard to do so many different tasks: including attendance, answering the phones, intercom and doorbell, emails, school lunches, communications to parents, medication and health care arrangements, supply uniform, carry out finance and ordering, after school club organisation, payments and so much more.

You may receive contact from this team via the telephone, email or letters or indeed have a question of your own you wish to take to the office so we thought it would be useful to put a face to the name! **Please bear with our new team as they settle in and learn the ropes.**

Back to school!

We have been busy in our new classes making friends, finding out where everything is, learning routines as well as completing some learning challenges. Here is some of what we have been doing and what we think about being in our new classes:

In Foxes, I like playing with the toys, I like colouring. I'm happy playing in the role play

I like Hedgehogs, I like the stories and the kitchen, because there's lots of food. I like the bit where there's lots of toys

I like playing with my toys and with my friends in Squirrels. I read books and it's very very good

In Leopards we have been writing, it was good!

I think Tigers is so good as we do fun things!

It is good in Robins; we have new friends in our class and I like that.

Kingfishers is really good! At first, I thought I might not like it but now I REALLY do! It is so much fun!

In Eagles, we have fun and we do lots of fun learning. Today we did fun Maths.

Our new look Pagoda

You may have noticed our lovely playground pagoda has had a makeover during the summer holidays thanks to the hard work of Miss Marris and Mrs Granger. This welcoming, cosy area provides a shelter for children who may wish to have a quiet and calm time at play times. A huge thank you goes out to a wonderful group of parents from Eagles class last year who gave the whole school a surprise at the end of term assembly with their gifts for the pagoda including kind donations from: Wickes, Holland and Barratt in Shirley, Newfields CIC, Aldi Lordshill, Tescos Millbrook and B & Q Nursling!
