

Fairisle News

Newsletter No. 9

I hope that you are all well and enjoying the lovely summer weather.

Following the announcement of the Prime Minister on 14 May 2021 the school will continue with the current restrictions in place until further notice.

This means that the children will continue to work in their 'bubbles' and we will not be able to invite Parents into school unless you have a prior appointment.

Thank you for socially distancing outside the classrooms, wearing face coverings and following the One-Way Pedestrian Traffic System.

Sun Safety

Further to the 'OurSchoolsApp' Message sent to Parents a few weeks ago

please ensure that your child is protected with a high factor UVB sunscreen (recommended SPF 50, 4 star UVA)

Before they arrive at school and that they have a sun hat.

Children will have access to drinking water throughout the day.

Thank you.

Healthy Fun Week

We are hosting a Healthy Fun Week
W/B 28 June 2021

The children will take part in a range of fun activities e.g. Hula Hooping, Dance Mats and Circus Skills.

We are also hosting Sports Day in the year groups. These will be for children and staff only as sadly we are not able to invite families in yet due to restrictions on social distancing.

Many thanks to Miss Chambers for putting together an exciting programme for the children.

Year R September Admissions

Welcome to all Year R children and families who are joining the school in September. It has been lovely getting to know you and we are looking forward to you joining us in September.

Due to restrictions, our Admission Procedure is very different this year as it was in the previous year.

However, the arrangements have been made with safety in mind.

Thank you for your co-operation.

Parent-Teacher Meetings

You will receive your child's Annual Report on Friday 9 July 2021.

Virtual Meetings with Teachers will take place the following week w/b 12 July 2021.

Please ensure to make an on-line appointment using the instructions issued by the school.

Thank you.

Dates For your Diary

- 23 July : End of Academic Year
- 2 Sept : INSET Day - Infant School, Sunshine & Rainbow Nurseries
CLOSED ALL DAY
- 3 Sept : INSET Day - Infant School, Sunshine & Rainbow Nurseries
CLOSED ALL DAY
- 6 Sept : Children's First Day Back At School 

Science Day

Science Day started with a bang, fizzle and pop as Years R, 1 and 2 took part in a variety of exciting and fantastic investigations this week.

The children saw what happened when 'Mentos' were added to a bottle of coke and described the explosion as 'Amazing' and 'Crazy!'

Other investigations focussed on which paper aeroplane would fly the furthest and why, along with who could build the tallest structure using only classroom objects.

Year 1 children were fascinated to see a lava lamp be built and had lots of predictions about what might happen when the ingredients were mixed.

Some children also found out how to stop an ice cube from melting by wrapping it in different materials.

It was fabulous to see all the children so engaged and excited by Science Day, it looks like we may have some future Scientists in our midst!

Miss Darke—Science Subject Leader

Best Wishes

Susanne Ottens
